## ABOUT ME

---

I am a dedicated WordPress developer in the last stages of my journey toward a bachelor's degree. I am also very good at working in a team, as I am a very communicative and positive type, this has helped me a lot in my previous experiences. With a year of experience in the industry, I've managed to finish a lot of projects for clients around the world, I'm very proficient in HTML, CSS, JS, PHP, SQL, and WordPress, also I've also worked a little with React, Node JS and PostgreSQL

## WORK EXPERIENCE

---

### IT2PI

SEP. 2022 – Present

*WordPress Developer*

*Prishtine, KS*

- In this role, Designing, creating, and maintaining websites was my core responsibility as a WordPress developer.
- An essential aspect of my work was collaborating with designers to ensure the design is implemented correctly and the project will be delivered as requested and on time
- Adding cool effects and creative animations was also part of my job, to create eye-attracting UI and enhance the visual appeal of websites.
- Some of the technologies I use as a WordPress Developer include HTML/CSS, Javascript, PHP, and WordPress.

## EDUCATION

---

### UBT - University for Business and Technology

*Bachelor's Degree, Computer Science - 2021*

*Prishtine, KS*

*I'm in the last years of working towards a Bachelor's degree in Computer Science, where a comprehensive range of topics is covered, spanning from the basics of programming to more advanced technologies creating complex applications.*
